REQUEST FOR RECONSIDERATION

Office of Initial Patent Examination's
Customer Service Center
Assistant Commissioner for Patents
Washington, D.C. 20231

Greetings:

Applicants request reconsideration of their Request for Corrected Filing Receipt (copy enclosed) on November 13, 2001 in the above-captioned patent application.

This application claims the benefit of Serial No. 60/197,749, filed April 18, 2000. The enclosed Filing Receipt for the application confirms the correct filing date of April 18, 2000. Applicant does not request to have the parent application filing date changed. Rather, Applicant requests that the Patent Office correct the Filing Receipt for the above-identified patent application to show the correct date of the parent application's filing, which is April 18, 2000.

Respectfully submitted,

Garth Janke
